## Jeremias Models DWKL and SWKL The Perfect Exhausts for Coffee Roasters

UL Listings required for Commercial Coffee Roasters:

### Model DWKL Double Wall Chimney/Stack

- UL-103 Standard, 1000F Building Heating Appliance Chimney
- UL-103 Standard, Additional 2100F Type HT Listing
- UL-2561 Standard, 1400F Chimney Listing
- UL-103 & UL-2561 Additional Positive Pressure Listing to 90" WC
- UL-1978 Standard, Grease Duct

### Model SWKL Single Wall for Low Heat Exhaust

- UL-103 Standard, 1000F Building Heating Appliance Chimney
- UL-103 Additional Positive Pressure Listing to 90" WC
- UL-1978 Standard, Grease Duct

Benefits of Jeremias as compared to all others:

- ☑ All required UL Listings
- ☑ All stainless – even the supports
- ☑ Best Warranty – 25 years
- ☑ Best access for cleaning – tee and inline access
- ☑ **We have in stock** – 6" through 18" diameters, standard 5 days or less shipping
- ☑ Best stainless – Type 444 stainless inner, better than 304 and 316 stainless
- ☑ Best insulation – 1½" thick SuperWool Plus compressed down to 1¼"

Application Designers:

**Clark Allen** [clark.allen@jeremiasinc.com](mailto:clark.allen@jeremiasinc.com), ext. 25 Contact for Quotes!

**Daniel Bonnes** [daniel.bonnes@jeremiasinc.com](mailto:daniel.bonnes@jeremiasinc.com), ext. 33, Contact for Quotes!

Sales Manager:

**Tony Pouncey** [tony.pouncey@jeremiasinc.com](mailto:tony.pouncey@jeremiasinc.com), ext.35

Manufacturing Engineer:

**Josh Toole** [josh.toole@jeremiasinc.com](mailto:josh.toole@jeremiasinc.com), ext.29

Typical order process:

1. Obtain a Quote (either from our designers or yourself using VentBOM [www.ventbom.com](http://www.ventbom.com))
2. Commitment to order
3. Jeremias provides AutoCAD drawing for approval/submittal and revised as needed
4. Project approved and shipped

See [www.jeremiasinc.com/products/](http://www.jeremiasinc.com/products/) for Submittal Records and Installation Instructions
